

UNITED STATES DISTRICT COURT
SOUTHERN DISTRICT OF NEW YORK

AMBER DOE,

Plaintiff,

-against-

SEQUOIA CAPITAL, *et al.*,

Defendants.

23-CV-5881 (LTS)

ORDER

LAURA TAYLOR SWAIN, Chief United States District Judge:

Plaintiff filed this action *pro se*. On August 1, 2023, the Court ordered that the action be transferred to the United States District Court for the Southern District of California, “[f]or the convenience of parties and witnesses, in the interest of justice.” 28 U.S.C. § 1404(a). Three days later, and before the Clerk’s Office electronically transferred the action to the Southern District of California, Plaintiff filed an opposition, and an amended opposition, in response to the August 1, 2023 order. (ECF 9-10.) The Court liberally construes these submissions as a motion brought under Rule 60(b) of the Federal Rules of Civil Procedure. *See Triestman v. Fed. Bureau of Prisons*, 470 F.3d 471, 474 (2d Cir. 2006); *see also Tracy v. Freshwater*, 623 F.3d 90, 101 (2d Cir. 2010) (The solicitude afforded to *pro se* litigants takes a variety of forms, including liberal construction of papers, “relaxation of the limitations on the amendment of pleadings,” leniency in the enforcement of other procedural rules, and “deliberate, continuing efforts to ensure that a *pro se* litigant understands what is required of him”) (citations omitted). After reviewing the arguments in Plaintiff’s submissions, the Court denies the motion.

DISCUSSION

Under Fed. R. Civ. P. 60(b), a party may seek relief from a district court’s order for the following reasons:

(1) mistake, inadvertence, surprise, or excusable neglect; (2) newly discovered evidence that, with reasonable diligence, could not have been discovered in time to move for a new trial under Rule 59(b); (3) fraud (whether previously called intrinsic or extrinsic), misrepresentation, or other misconduct of an opposing party; (4) the judgment is void; (5) the judgment has been satisfied, released, or discharged; it is based on an earlier judgment that has been reversed or vacated; or applying it prospectively is no longer equitable; or (6) any other reason justifying relief.

Fed. R. Civ. P. 60(b).

The Court has considered Plaintiff's arguments, and even under a liberal interpretation of her motion, Plaintiff has failed to demonstrate that any of the grounds listed in the first five clauses of Fed. R. Civ. P. 60(b) apply. Therefore, the motion under any of these clauses is denied.

To the extent that Plaintiff seeks relief under Fed. R. Civ. P. 60(b)(6), the motion is also denied. "[A] Rule 60(b)(6) motion must be based upon some reason other than those stated in clauses (1)-(5)." *United Airlines, Inc. v. Brien*, 588 F.3d 158, 175 (2d Cir. 2009) (quoting *Smith v. Sec'y of HHS*, 776 F.2d 1330, 1333 (6th Cir. 1985)). A party moving under Rule 60(b)(6) cannot circumvent the one-year limitation applicable to claims under clauses (1)-(3) by invoking the residual clause (6) of Rule 60(b). *Id.* A Rule 60(b)(6) motion must show both that the motion was filed within a "reasonable time" and that "'extraordinary circumstances' [exist] to warrant relief." *Old Republic Ins. Co. v. Pac. Fin. Servs. of America, Inc.*, 301 F.3d 54, 59 (2d Cir. 2002) (per curiam) (citation omitted).

Plaintiff has failed to demonstrate that extraordinary circumstances exist to warrant relief under Fed. R. Civ. P. 60(b)(6). *See Ackermann v. United States*, 340 U.S. 193, 199-202 (1950).

CONCLUSION

Plaintiff's opposition and amended opposition to the Court's order transferring this action to the Southern District of California (ECF 9-10), construed as brought under Fed. R. Civ. P. 60(b), is denied.

This action is closed. Any relief Plaintiff seeks must be filed in the transferee court.

The Court certifies under 28 U.S.C. § 1915(a)(3) that any appeal from this order would not be taken in good faith, and therefore *in forma pauperis* status is denied for the purpose of an appeal. *See Coppedge v. United States*, 369 U.S. 438, 444-45 (1962).

SO ORDERED.

Dated: August 14, 2023
